Structure

Course Outcomes (CO)

Students who successfully complete Fitting and Alterations should be able to do the following:

1. Acquire a working knowledge of fitting and altering ready-to-wear clothing by altering both men's and women's ready-to-wear clothing.
2. Demonstrate proper fitting and altering techniques by sewing and fitting a final design to an individual body.
3. Use correct terminology in relationship to fit by fitting real clients.

4. Derive solutions to fitting and alteration problems by completing ½ scale alteration patterns.
5. Build confidence in ability to both fit and alter basic patterns and clothing by modeling personal garment in the Apparel Design fashion show.
